Dear Community Member,

Medina Chorus has actively contributed to the musical fabric of the Medina area since 1935. Members travel from all over Northeast Ohio to sing with this ensemble. The Chorus remains a vibrant part of the arts community in Medina, singing in public performance and also at the Medina County Home and The Western Reserve Masonic Community. Music is for sharing!

A varied and appealing selection of challenging music is presented by Medina Chorus in two concerts every year under the direction of **Jordan Saul**. Though the chorus was originally formed to sing Handel's *Messiah*, the concerts now include a wide variety of music.

We depend on donations and gifts from individuals, local business and corporations, and grant support from the Medina County Arts Council. The singers are all volunteers and purchase their own music. For special performances of certain larger works, professional musicians and/or soloists may be hired. **Medina Chorus will continue to support the arts with your help.**

If you would like to contribute please complete the form below and include it with your donation. **Please return your form postmarked by March 27 so we can thank you in our May 2 concert program. Tickets are available from Chorus members, at the door and Buehler's in Medina.**
